UAIT 2027-2028 ADMISSION ANNOUNCEMENT

(FIRST ROUND APPLICATION)

Applications Open: 5 October 2026

Application Deadline: 09 December 2026

Interviews: December 2026

The United African Institute of Technology (UAIT) is pleased to announce the opening of applications for the **2027 Intake – First Round**.

Applications will officially open on 5 **October 2026** and will remain open until **09 December 2026**.

Applicants are encouraged to submit their applications early and ensure that all required information and supporting documents are complete and accurate.

I. Who Can Apply?

Applicants who have completed secondary education, university graduates or an equivalent qualification and meet the requirements of their chosen program may apply.

Both **Rwandan and international applicants** are welcome to apply, subject to UAIT admission requirements.

II. Available Programs

Applicants may apply for the available UAIT Certificate Programs, including:

AI Technology

Duration: 1 Year

A practical, project-based program designed to develop skills in artificial intelligence, machine learning, data analysis, AI applications, and related technologies.

Jewelry Design

Duration: 1 Year

A practical program focused on jewelry design, craftsmanship, CAD and 3D design, gemology, stone setting, and portfolio development.

Applicants should check the official UAIT website for the programs available for the 2027 intake.

III. Application Period

First Round

Opening Date: 5 October 2026
Closing Date: 09 December 2026

Applications submitted after the deadline may not be considered for the First Round.

A subsequent application round may be announced separately by UAIT, subject to availability of places.

IV. Application Fees – Important Information

No Payment Is Required at the Time of Application.

For the **2027 First Round**, applicants are allowed to submit their applications and required documents **without paying the application fee at the time of submission**.

Applicants should therefore **not make any payment before receiving an official admission decision from UAIT**.

After an applicant has been successfully admitted, UAIT will provide instructions regarding payment of the applicable:

- Application Fee (50,000 rwfs)
- Admission/Registration Fee (150,000 rwfs)
- Tuition Fee and applicable payment schedule

Admission does not become fully confirmed until the required post-admission payment and registration procedures have been completed.

V. How to Apply

Step 1 – Choose Your Program

Review the available UAIT programs and select the program that best matches your academic interests, abilities, and career goals.

Step 2 – Read the Admission Guide

Applicants should carefully download and read the admission information and requirements for their selected program before completing the application.

Step 3 – Complete the Online Application Form

Complete the official UAIT online application form by clicking on **Apply Button** and fill accurate personal, academic, and contact information.

Only applications submitted through the official application channel will be considered.

Step 4 – Upload the Required Documents

Applicants must submit the required supporting documents together with their application.

Step 5 – Submit Your Application

Review all information carefully before submitting the application.

Once submitted, applicants should monitor their email and phone for communication from the UAIT Admissions Office.

Step 6 – Application Review

The UAIT Admissions Office will review submitted applications and supporting documents.

Applications may be reviewed based on:

- Academic qualifications
- Completeness and accuracy of submitted documents
- Program requirements
- Applicant's motivation and interest
- Other program-specific admission criteria

Step 7 – Shortlisting

Applicants who meet the initial requirements may be shortlisted for an admission interview.

Shortlisted applicants will receive information about the interview schedule and format.

Step 8 – Admission Interview

Interviews for the First Round of the 2027 Intake will be conducted during **December 2026**.

Depending on the program and applicant's location, interviews may be conducted in person or through an approved online platform.

Applicants should be prepared to discuss:

- Their academic background
- Why they selected UAIT
- Why they selected their chosen program
- Their career goals
- Their interest in the field
- Their commitment to completing the program

Program-specific interviews, portfolios, auditions, or additional assessments may apply where necessary.

Step 9 – Admission Decision

Following the interview and final admission review, successful applicants will receive an official admission notification from UAIT.

The admission notification will provide further instructions concerning:

- Acceptance of admission
- Application/admission fees
- Registration
- Tuition payment
- Important enrollment deadlines

Step 10 – Payment After Admission

Only after receiving an official admission notification will successful applicants be required to proceed with the applicable payment.

Applicants should follow the official payment instructions provided by UAIT.

Applicants should not send money to unofficial individuals, agents, or personal accounts claiming to represent UAIT.

Step 11 – Registration Confirmation

After completing the required payment and registration procedures, UAIT will confirm the student's enrollment.

Further information concerning orientation, academic schedules, and commencement of classes will then be communicated to registered students.

VI. Required Application Documents

Applicants should prepare clear copies of the required documents.

General Documents

1. Completed UAIT online application form (Google Form) completed by clicking on apply now button
2. Academic certificates
3. Academic transcripts
4. Copy of National ID or Passport
5. Self-introduction / personal statement
6. Statement of learning commitment

Program-Specific Documents

Depending on the program, applicants may also be required to submit the optional documents:

AI Technology

- Recommendation letter, where applicable
- Evidence of interest in technology
- Relevant certificates, projects, or other evidence of experience, where available

Jewelry Design

- Portfolio of drawings, artwork, craftwork, or previous design work
- Recommendation letter, where applicable

International applicants may be required to provide additional documents relating to their academic qualifications, identification, and immigration requirements.

VII. Important Application Rules

Applicants should carefully observe the following:

- Submit only truthful and accurate information.
- Ensure that all required documents are complete and readable.
- Submit the application before **09 December 2026** for consideration in the First Round.
- Do not pay the application fee at the time of application.

- Do not send money to unofficial accounts or individuals.
- Payment instructions will be provided after official admission.
- Submission of an application does not automatically guarantee admission.
- Only shortlisted applicants will proceed to the interview stage.
- Admission decisions will be communicated officially by UAIT.
- Applicants should regularly check the email address and telephone number provided in their application.
